

Going Digital? Why not make the transition much easier with our software especially designed for Talking Newspapers...

Simple, icon driven, intuitive software. No need for track markers. Create and automatically archive Publications. Record, Edit and Duplicate from one, easy to use program!

Upload to Web function, ideal for Podcasts or Web Radio.

As easy to use as a cassette recorder, but with much better functionality! Quick editing, insert sound files, auto track and lots more!

Copy up to 14 USB sticks at a time. Delete as you go and automatically verify.
